

THE DISTRICT COUNCIL OF SAVANNE

NOTICE No : 02 of 2020

The Public is hereby informed that following the proclamation of Regulations under Section 34 of '**CONSTRUCTION INDUSTRY DEVELOPMENT BOARD ACT**' – Government Notice No. 143 of 2018, all Computer Aided Design (CAD) Operators for the construction works (including Draughtsman) Individuals only, have to be registered with the Construction Industry Development Board (CIDB). (Registration of Service Providers other than Consultants) Regulations 2018.

- All plans/drawings submitted must be prepared and signed by anyone of the following individuals (including plans/drawings prepared and submitted for Building & Land Use Permit purposes):
 - (a) CAD Operators for construction works (including Draughtsman) registered with the CIDB
 - (b) Engineers registered with The Council of Registered Professional Engineers of Mauritius (CRPE)
 - (c) Architect registered with the Professional Architects' Council (PAC)
- Firms wishing to offer those services need to employ a CIDB registered CAD Operator for construction works (including draughtsman) on a full-time basis.

Please note that no person shall act as a service provider unless registered with the CIDB.

Service providers will have to submit their registration certificates for all applications made for Building & Land Use Permits with effect from 02 March 2020.
